## Aniem A-Z Game

Posted by shutz - 2007/12/07 12:57

---

Basically what you do is name an anime or anime character.

The first person would name an anime that starts with A..the next person would do an anime that starts with B...then C...then D..and you get the point..

When we're at Z... we start over :)

A:

Aya (Ceres Celestial Legends)

=====
