
Change your Avatar!

Posted by shutz - 2007/12/10 19:53

You can now change your account avatar! We currently have a low number of anime avatars but hopefully will increase in short time!

How can you change your avatar?

Go to your profile (a link in the top of this page and one on the left), Click the "User Options" tab and then click "Update your image" link!
